

Department: School of Social Work
Chair: Dr. Mary Van Hook

Participating Faculty: Abel, Suh, Green, Leon, Kazmerski, Dziegielewski
Brett, Turnage, Kirven, Kotte, Maiden, Sauer, Davis, Jacinto, Massey, Gray

Program Name & CIP Code: 44.0701 Level: BSW

Example of Linkage between Expanded Statement Of Institutional Purpose,
Departmental/Program Intended Outcomes/Objectives, Assessment Criteria and Procedures,
Results, and Use of Results at our University

Expanded Statement of Institutional Purpose	Departmental/Program Intended Outcomes/objectives	Assessment Criteria & Procedures	Assessment Results	Use of Result
<p>UCF is a metropolitan university committed to providing the finest undergraduate education in Florida, achieving international prominence in key graduate, educational and research programs, promoting a global perspective, fostering inclusiveness and diversity, and becoming America's leading partnership university.</p> <p>Mission: The purpose of social work education at UCF is to prepare competent and ethical undergraduate and graduate professionals committed to resolving and preventing human problems, serving the poor and oppressed, and working to alleviate poverty, oppression, and discrimination. The School of Social Work recognizes this purpose through its generalist and community based clinical curriculum through its commitment to the pursuit of excellence in teaching, through its community partnerships, and through its research.</p>	<p>1. Graduates will demonstrate a commitment to ethical and accountable social work practice as outlined in the NASW of Ethics by applying social work values and ethics in practice situations.</p>	<p>1a. 80% of BSW field instructors on the field evaluation form completed at the end of the semester will assess the student as demonstrating ethical practice. 1b. 80% of the social service organizations responding to the biannual employer survey will report that BSW alumni demonstrated commitment to ethical social work practice. 1c. 75% of the BSW graduates will report on the exit survey conducted annually at graduation that the School was helpful in their commitment to social justice.</p>		
	<p>2. Graduates of the BSW program will demonstrate the ability to assess needs and resources of client</p>		<p>7. 80% of the field instructors will report on the field evaluation form completed at the end of the semester that</p>	

	systems.	<p>students are able to assess needs and resources of client systems.</p> <p>75% of the service organizations responding to the biannual employer survey will report that BSW alumni are able to assess the needs and resources of client systems.</p> <p>75% of the BSW alumni in the biannual alumni survey will report that they learned how to assess the needs and resources of client systems.</p> <p>75% of the BSW graduates on the exit survey completed at graduation will report that they learned to assess the needs and resources of client systems.</p>		
3. Graduates of the BSW program will demonstrate the ability to provide resources to client systems.		<p>80% of the field instructors will report on the evaluation completed at the end of the semester that BSW students are able to provide resources to client systems.</p> <p>75% of the employers in the biannual employee survey will report that BSW alumni are able to provide resources to client systems.</p> <p>75% of the BSW alumni in the biannual alumni survey will report that they learned to provide resources for client systems.</p> <p>80% of the exiting BSW students will report on the exit survey at graduation that they learned to provide resources for client systems.</p>		
4. Graduates of the BSW program will demonstrate the ability to obtain resources for clients.		<p>80% of the field instructors will report on the field evaluation form completed at the end of the semester that BSW students are able to obtain resources for clients.</p> <p>75% of the social service agencies responding to the biannual employer survey will report that BSW alumni are able to obtain resources clients.</p> <p>75% of the BSW alumni will report on the biannual alumni survey that they are able to obtain resources for clients.</p> <p>75% of BSW students in the exit survey completed at graduation will report that they are able to obtain resources for clients.</p>		
5. Graduates of the BSW program will demonstrate the ability to improve resources for client systems.		<p>80% of the field instructors will report on the field evaluation form that BSW student are able to improve resources for client systems.</p> <p>75% of social service organizations responding to the biannual employee survey will report that BSW alumni are able to improve resources for client systems.</p> <p>75% of the BSW alumni responding to the biannual alumni survey will report that they learned to improve resources for client systems.</p> <p>75% of the exiting BSW students will report on the exit survey completed at graduation that they learned to improve resources for client systems.</p>
